The main content area is titled 'Daftar Kategori Produk' and shows a table of product categories. The table has columns for 'No', 'Nama produk Menu', 'Tanggal Input', and 'Edit'. Each row contains a product name and a date, with 'Ubah' and 'hapus' buttons for editing and deleting. A '+ Tambah' button is located above the table, and a search bar is on the right. The breadcrumb trail indicates the current location: 'Dashboard / Daftar Kategori Produk'.
